To Whom It May Concern

Dear Sir/Madam,

**Reference: PAN Li (CityU Student ID: 56489232)**

This is to certify that Mr PAN Li is a student in Department of Electrical Engineering at City University of Hong Kong.

He was admitted to the full-time Master of Science in Multimedia Information Technology programme (MScMIT) in September 2020 and has completed all the requirements of the programme and officially graduated on 4 October 2021. His cumulative grade point average (CGPA) is 3.85 and ranking with reference to the 2020 MScMIT cohort is 1<sup>st</sup> out of 59 students.

Yours faithfully,

Prof. JIANG Chaoqiang  
MSc Associate Programme Leader  
Department of Electrical Engineering  
City University of Hong Kong
